

Just follow these
4 simple steps:

Share access to your portal account so others can help manage your healthcare!

1. Make sure you have a portal account set up. (If you don't, give us your email address and we'll send you an invitation to set up your account.)

2. Sign into your account and click on "Account" at the top of the page.

3. Click on "Invite New"

4. Complete the information requested, and we'll send an emailed invitation to your Trusted Representative. When they accept that invitation, they'll be linked to your account and you will see them in your "Trusted Representatives" list.
